Auburndale Counseling Newsletter

Mrs. Dickey ldickey@cnusd.k12.ca.us

Mr. Jones Landy.Jones@cnusd.k12.ca.us

Focus of the Week:

Mental Health Awareness

Mental Health is a state of well-being that allows the person to cope with normal life stressors, the ability to work and play productively, and the ability to contribute to his or her community. Counselors strive to raise awareness to reduce the stigma of mental illness, promote the willingness to seek help, practice self-care, and reduce self-harm behaviors through education and community support.
